BRIAN'S EYE ON ENTERTAINMENT

Raiders of the Lost Ark - PG *****

Even though there are no new releases just yet, there are some old time classic movies that are being shown at the movie theater these days. One example is Raiders of the Lost Ark (The very first Indiana Jones movie).

In this movie, Indiana Jones is searching for the Arc of the Covenant. Nazis try to beat him and they succeed at finding it first, but something terrible goes wrong. The Arc has great powers and the Nazis are destroyed and turned to dust. Indiana Jones is victorious but you'll have to see the movie to see all the wonderful details.
