BRYAN'S EYE ON ENTERTAINMENT

*Superman PG 13 ******

Superman is now disliked by his home town of Metropolis. This makes his arch enemy Lex Luther very happy. He convinces the people that Superman should be jailed. Little do they know but Lex Luther has created an evil clone of Superman who does bad things in the city. The real Superman escapes and hides in his parents house. and Luther is out to get him. Superman and his dog Krypto take care of everything! Superman is a hero again and the city of Metropolis! It is just as good as the original movie and probably better.

I cannot tell you about the end of the movie. You will have to see it to find out.

I guarantee you will love it !
