BRYAN'S EYE ON ENTERTAINMENT

Working Man PG 13 *****

Jason is a decorated military person who decides to live a simpler life. He is an everyday man working at a construction site. He learns that his boss's daughter has been kidnapped. She is destined to become a victim of human trafficking to work as a sex slave.

This movie is all about how he rescues her. There are several other plots going on at the same time.

If you loved the movie "Bee Keeper" you will like this one too.
