BRYAN'S EYE ON ENTERTAINMENT

Mulan: the live action movie *** PG 13**

Mulan, the main female character, enrolls in the army to take her father's place in training and fighting because he is injured and can no longer participate. She dresses like a young man. No one suspects that she is in disguise. She ends up fighting some bad guys who are trying to kidnap the Emperor. She is praised as a hero because she successfully frees the Emperor. She is invited to be an officer in the Imperial Army.

This is actually a great movie and much better than the older, animated one. You can watch it 2 ways: watch it at home streaming on DisneyPlus or watch it on DVD or Blu-Ray.
